A friendly and caring environment for children aged 2½ up until school age. We use the main hall and outside area at Rowledge Village hall every weekday morning from 9.00 am – 3.30pm (2pm Tuesday and Wednesday). Our aim is to produce happy, confident and independent children who will be prepared for their entry into school. We provide a safe, happy, caring and stimulating learning environment and treat children as individuals and encourage them to develop and learn through carefully planned play. We provide varied activities, equipment and have a good adult/child ratio. We follow the Early Years Foundation Stage (EYFS) which is a structure of learning, development and care for children.

Something missing or run at another hall that you would like to see here in Rowledge? Please e-mail bookings@rowledgevillagehall.com We want to help groups start and be successful. This might be the chance to expand an interest you already have and share it with others.
